

GLOBE GPS Challenge-Detroit

Do you know how GPS technology works? Does your child know how GPS technology is linked to science? If not, then join members of the GLOBE parent community to learn about the GLOBE GPS protocol and other GLOBE Program activities. This will be the best back-to-school event ever!

When?

Saturday, 27 September 2008

What Time?

1pm to 4pm

Where?

Belle Isle Nature Zoo
Detroit Michigan

Team Registration Fee

\$50 per team (5 individuals per team). The team registration fee will be used to offset the cost of GPS equipment and supplies for the event.

Benefits of Attending

- Learn about the GLOBE Program and what it is doing to inspire the next generation of global scientists.
- Learn how to use a handheld GPS device and several GLOBE Program scientific investigations.
- Improve your child's understanding of Earth science systems and the technologies that are being used by scientists around the world to map the world.

If you have more questions send an email to gpc@globe.gov or call Keith Young at 313-399-7893.
